OTSEGO LAKE TOWNSHIP
Parks and Recreation Advisory Committee
May 21, 2025 Approved Minutes

Present: Christine Botak-Wohlfeil, Mike Coutant, Dani Coutant, Dan Wagar, Jeff Bergel

Meeting was called to order at 6:00pm at the Otsego Lake Township Park by Chairperson Wohlfeil. Jeff brought his Side by Side for the Committee to check out the trail. There was only room for four, so Dani remained at the park. After covering the trails, the committee agreed that there are currently enough chips on the trail. The committee did have the following recomendations.

- All the tree identifying signs need replacing.
- Trail markers need upgrading.
- Some foliage on parts of the trail needs trimming back.
- There is a pile of chips near the entrance of the trail. The committee is not sure where it came from, but it has branches and pine needles in it - not clean chips. The committee would like to see it removed. Jeff is going to try to find out where it came from.

Old Business:

- Pickle Ball Court: Jeff informed the committee that the Pickle Ball Court has been turned down for the year - due to the Township's ice storm expenses.
- Entrance and Exit Signs for the Nature Trail. Jeff told the Committee that the signs have been approved.
- Gravity Rail: Mike has talked to the company, and no decision has been made yet.

Meeting adjourned at 6:51pm. Next scheduled meeting is Wednesday, June 18, 2025, 6:00pm, at the Otsego Lake Township Park.

Dani Coutant,
Secretary
